*Dr. Michael N. Stanton*

**Hobbits, Elves and Wizards: The Wonders and Worlds of J.R.R. Tolkien's "Lord of the Rings"** Dr. Michael N. Stanton

Middle Earth, Gandalf, Frodo, Bilbo: The places and characters that sprang from the mind of J.R.R. Tolkien will live forever in the imaginations of millions of readers. In *Hobbits, Elves, and Wizards*, Michael Stanton, a scholar of science fiction and fantasy literature, offers an extraordinary encounter with *The Lord of the Rings*. Believing that there is no epic of contemporary literature to match *The Lord of the Rings*, Stanton delves critically into the richness of the story. He explores the intricacies of its dialogue and illuminates the idiosyncratic nature of its characters. He looks at places, dreams, notions of time and history. Eschewing academic jargon, Stanton provides an intriguing look at Tolkien's fantasyscape that ultimately shows how all of these parts meld into a singularly compelling work of art that lives and breathes. For those who have read and loved *The Lord of the Rings*, Stanton embarks on an exploration of Tolkien's genius, painting a rich and wonderful critical portrait of the world he created, a portrait that no one who truly hopes to understand Tolkien's vision will want to be without.
