RUN | Zombies are on the loose in New Orleans and of all the End of the World scenarios, Alexis Winter wasn't prepared for this one. But, an apocalypse is an apocalypse and she should have this covered. She has been "prepping" for the last three years. The problem is location and timing. She's stuck downtown and she has to get to her house on the outskirts of the city so she can get her supplies and bug-in (for the "non-preppers" this means hole up and stay safe).

Agreeing to work on a Saturday is now coming back to bite her on the ass big time. Hopefully, it won't be a literal bite by the walking dead.

Luck favors the prepared, and as luck would have it, it comes in the form of the ridiculously hot Blake Miller. Former military man, current mercenary, Blake Miller, the man with the plan, his goal: steal a boat and trek up the Mississippi until they find safety. Alexis thinks this is a great plan and she decides to team up with Blake. The two team up in unexpected ways as they find they can't keep their hands off of each other even when the world is falling down around them.

Can Alexis and Blake survive the end of the world, and if they do make it through the night, find a place that is safe and secure? Can their newfound attraction lead them down the road to love or heartbreak?

Zombies, sex, romance and carnage...you can't get any better than this.

Be warned, there will be monsters, living and dead, there will be very intense sex scenes and there will be three books in the series.
