Follow the heart-wrenching story of Adam Beachy, whose mother walked out on him and his family—and away from the Amish faith. Now he balks at the idea of ever marrying and having a family of his own. But when tragedy strikes, Adam is suddenly a father figure to his three nieces and finds himself needing a wife. Despite their differences over her practice of reflexology, Leah Mast seems the best option to fill that role. Can they make it work in a modern-day marriage of convenience?
