The Lightworker's Way: Awakening Your Spirtual Power To Know And Heal Doreen Virtue

In The Lightworker's Way, Dr Doreen Virtue takes you on a spiritual adventure as she recounts her own life story of awakening her healing and clairvoyant power. You are a lightworker if you feel called to heal others; want to resolve the world's social and environmental problems; believe that spiritual methods can heal any situation; feel compelled to write, teach, or counsel others; and know that you are here for a higher purpose, even if you are unsure what it is or how to fulfil it. Right now, lightworker's are awakening to faint memories of their divine life missions. They hear an inner calling that can't be ignored. This call is a reminder that it is now time to get to work in healing the planet and its population. Dr Virtue helps you reawaken the natural gifts that you have within you. You will learn how to conduct healing sessions, heighten your psychic receptivity, call upon the angels that are always by your side, and learn how to open your "third eye".
