The Little Black Book of Violence will arm you with the knowledge and good sense to make informed choices in hazardous situations. While some yahoo spewing insults about your favorite sports team is worlds apart from a drug-crazed lunatic lunging at you with a sharp knife in his hands and bloodlust in his eyes, there is a large gray area in between these two extremes where hard and fast rules do not always apply. This is where wisdom, oftentimes hard-earned wisdom, makes the difference between good decisions and bad ones.

Every time you engage in violence, no matter how small or trivial it may appear to be at the time, it has the potential of escalating into something extraordinarily serious. Consequently you will also learn smart things you might want to try and dumb things you should attempt to avoid during a physical confrontation.

In addition to learning strategies and techniques for defending yourself on the street you will also learn how to manage the aftermath of violence, including performing first aid, interacting with law enforcement, managing witnesses, finding a good attorney, navigating the legal system, dealing with the press, and overcoming psychological trauma.
