We all are Rapist: Secret of Life (Words into SILENCE Book 1) Shri Prashant

Congratulations. Grace has brought you to a unique repository of mystical utterances, at par with the highest spiritual words that mankind has ever known. Contemporary, yet timeless. Related to everyday life, yet carrying the essence of the Beyond.

Here you will find words that have come through Shri Prashant – A contemporary young mystic whose Shabd-Yoga sessions, Shoonya-Smaran methods and Anahad-Kriya celebrations are bringing the purest essence of transcendental wisdom to today's world.

Marvelous are the ways of existence. His journey took him to technical and management education at IIT (Indian Institute of Technology, Delhi) and IIM (Indian Institute of Management, Ahmedabad). He then served for a few years as a management professional, besides a few weeks in the Indian Civil Services. These lucrative options, however, hold little importance when the Truth beckons. Responding to a higher calling, he undertook a rigorous spiritual pursuit for a long time, turning to the service of the timeless. He established Advait Life-Education and AdvaitPrashant Foundation as movement for 'Creation of a new humanity through Intelligent Spirituality'.

Today, the Advait movement has touched the lives of more than a million individuals. Through direct contact with people, and internet-based channels, Advait continues to bring clarity, peace and love to all.

May you be blessed!
